

A Scholarship to Help Families Affected by Workplace Injuries

Congratulations to our 2022 Scholarship Recipients:

Angel Thompson
Orlando, FL

After (my father) suffered a back injury from a fall and was unable to complete his usual tasks or return to work, financial burdens remained difficult. I've never seen my family struggle like that. It's probably one of the first times I've ever seen my dad not work. This scholarship will take a burden off my parents towards paying for college.

Tyrone Thompson
Pensacola, FL

I didn't think I'd be able to finish (college) because of finances. I had good grades, but I wasn't sure I was going to make it. Winning a Horizon Scholarship put a smile on my face.

Emma Whitney
Surry, ME

There were days when it was really hard trying to balance helping my dad, schoolwork, a job, and driving up to cheering three nights a week... I am grateful.

Janly James
Southampton, PA

From working with a pharmacist and doctors to find a medicine that works for my father's pain management, I realized the scholarship will help in my goal of becoming a pharmacist, so I can help a lot more patients.
