

# BLR Safety 101: A Guide for New Safety Professionals

## Go to MEMIC.COM

1. Click on Workplace Safety

2. Click on Safety Director Login

3. Login with your credentials or [click here to create a personalized profile](#)

4. Select BLR EHS Hero from the MEMIC's Safety Director landing page.

5. Select Get Started under the Safety 101 section and select Go to begin the course and see the modules.

The screenshot shows the MEMIC My Dashboard. At the top, there is a navigation bar with the MEMIC logo and links for Industries, Tools, EHS Hotline, Training, and Resources. A search bar is located on the right. Below the navigation bar is a section titled "My Dashboard" containing eight resource cards arranged in a 2x4 grid. Each card has an icon, a title, a brief description, and a "Get Started" button. The cards are: 1. Training Materials (Access Instructor-Led Training Materials, including Customizable Powerpoints, Audiovisual Presentations, 7 Minute Safety Training, Toolbox Talks and Safety Meetings). 2. Plans, Checklists, Posters, and Policies (Plans, Checklists, Posters, and Policies). 3. Regulatory Analysis Chart Builder (Compare and contrast federal and state EHS regulatory information). 4. Safety 101 (Explore the key elements of a successful safety program and access helpful tools for implementation in your organization). 5. SDS Search (Search through the most comprehensive collection of SDSs). 6. Employee Newsletters (Improve safety communication with your employees using the customizable newsletter). 7. Help Resources (User Guide, Tutorial Videos, Feedback Survey, Contact Numbers, and more). 8. Regulatory Activity (Review recent regulatory activity and locate state and federal final and proposed rules and notices).

The screenshot shows the MEMIC Resources page. At the top, there is a navigation bar with the MEMIC logo and links for Industries, Tools, EHS Hotline, Training, and Resources. A search bar is located on the right. Below the navigation bar is a section titled "Resources" containing a list of resources. The "Safety 101: A Guide for New Safety Professionals" resource is highlighted. Below the resource title, there is a "Document Type" section with the value "Guidance Documents". There is also a "Topic" section with the value "Safety - General" and a "Jurisdiction" section with the value "National". A "Summary" section follows, containing the text: "Congratulations! You're now in charge of safety. Whether safety is your full-time job or an additional responsibility, you may feel overwhelmed and may not know where to start. However, a lot of safety management is training and motivating employees—expertise that you may already have. In this guide, we'll look at the key elements of successful safety programs and give you the tools to implement them in your organization." At the bottom of the page, there are two buttons: "Go" and "Bookmark". The "Go" button is circled in yellow.
